JULY 9

MARK THE DATE

WORLD MISSION FUND OFFERING

Your **Mission Offerings** are a **life-sustaining river**

The World Mission Fund of the Seventh-day Adventist Church is a lifegiving river that flows around the world, moving to where it's most needed. This river of funds helps sustain and nurture the growth of the church.

On July 9, there is a special emphasis on the World Mission Fund, and we invite you to give by marking your tithe envelope "World Mission Fund." Let's keep the movement in the Seventh-day Adventist Church movement!

Please help us keep the rivers of blessing flowing out to those who are waiting to receive the Water of Life. Your help will support mission work around the world. If your church is not collecting the World Mission Fund offering on July 9, you can still write "World Mission Offering" on your tithe envelope or visit Giving.AdventistMission.org.
