Each coloring page shows a scene from a kids Mission Spotlight video. These are based on true stories and produced by Adventist Mission just for kids!

We hope you have fun coloring the pictures and watching the videos featured in this book. And while you are enjoying these activities, you will be learning important life lessons on how to treat other people, and how to let them know about the love of Jesus.

TEACH HER THE VALUE OF GIVING

Your child will have fun while learning the importance of giving to Jesus.

When you make it fun, it becomes easy to introduce your child to the concept of generosity and giving to missions. Each quarter, your child will enjoy an interactive project that is both sacred and fun. Here's how:

2. Cut -- trim the edges using scissors.
3. Color -- ask your child to use some fun colors to do the coloring-in.
4. Wrap the finished coloring page around a tin can or similar container, using sticky tape (be sure there are no sharp edges).
5. Save -- encourage your child to place their dollars and pennies into the can.

Wrap the page around a tin can or similar container, using sticky tape (be sure there are no sharp edges).

When the can is full, help your child count the money, and then write and mail a check:
