Help our church be ready to move quickly

Known for its speed and agility, the cheetah is the fastest land mammal, able to go from zero to 60 miles per hour in just three seconds.

When an unexpected situation hits the Seventh-day Adventist Church, it's an opportunity to move quickly. We need to be nimble and agile to respond rapidly. By so doing, we can increase the impact of God's mission throughout the world.

In recent years your support has helped fund projects such as an outreach center in Eastern Europe and television stations

in Norway. It's funded a comprehensive health outreach program in Sweden and Ebola education in Africa. And when local outreach programs in Rwanda resulted in hundreds of new believers and new church buildings were urgently needed—your gifts helped make that possible!

Please give generously on Sabbath, September 14, to the Unusual Opportunities Offering appeal. Mark your tithe envelope "General Conference Unusual Opportunities Fund" or call 1-800-648-5824.
